

ASSOCIATE OF SCIENCE IN **NURSING**

Possible Employment Opportunities*

Registered Nurse ◀

The Associate of Science in Nursing (ASN) equips the student with the knowledge and skills necessary to promote, maintain, and restore the well-being of the client, the family, and the community in a holistic manner. Likewise, the student will develop skills by practicing in simulated environments and clinical experiences. Upon licensure, graduates of this program may practice as a Registered Nurse.

**No waiting list or prerequisite courses prior to enrollment.
Begin nursing courses in the second semester.**

Licensure

Graduates are eligible to sit for the following licensure exam:
National Council Licensure Examination (NCLEX)
